

Preparation Form for UKSPA Business Incubation Focus Group Meeting

30 January, 2009 York

Your Name:

Your Incubator / Facility Name:

Incubator / Facility in Operation Since:

1. Measuring Success

a) List 10 things you think incubation environments should be measuring

b) How many of the above are you currently measuring?

c) What other things are you measuring and why?

d) Do you measure the incubation environment's impact or interventions? How?

e) Do you benchmark your clients when they move in to the facility? If yes, how and what measures?

f) Do you track your client's progress? Do you gather regular information from them? (FTE, GVA, GDP, IP etc.) If so, how?

g) How do you assess your companies 'success' or 'failure'?

h) What assistance, if any, do you think UKSPA could provide to its membership in this area?
