## Objectives

**Attract inward investment** so there are more jobs and more customers in Science Vale UK and the local economy is strengthened.

**Enable resident businesses to prosper and grow** so that Science Vale UK is synonymous with business success.

**Attract more investment into infrastructure** so Science Vale UK is a better place in which to do business and live.

**Make Science Vale UK a more successful and attractive place** in which to live and work than would be possible if the partners did not collaborate.
