

## Business Affiliate Membership

### Application Form

UKSPA Affiliate membership is open to companies who actively support the UK Science, Incubation and Innovation sector and where membership would be mutually beneficial.

Business Affiliates play a full part in the activities of UKSPA and:

- contribute to the policies and activities of UKSPA
- connect with the sector through our events with two free places at each member event
- are promoted through our website, newsletters and magazine “Breakthrough” and
- can promote themselves as a company committed to developing the UK science and innovation sector.

Existing Affiliate members include property, legal and architectural practices, commercial surveyors, ICT, communications and software companies, patent attorneys and Intellectual property experts. A full list is available on the UKSPA website at [www.ukspa.org.uk/members/our-members](http://www.ukspa.org.uk/members/our-members)

Membership applications are considered by the UKSPA Board.

### Company Information

Company name	
Main address for communications	
Main email for communications	
Telephone No.	
Website

**Supporting Information**

**Please use the space below to describe your reasons for applying for UKSPA membership and more about your company or business:**

A large, empty rectangular box with a thin black border, intended for the applicant to provide supporting information regarding their reasons for applying for UKSPA membership and details about their company or business.

### Key Staffing Information

Please add your details and other colleagues who would like to receive UKSPA bulletins and updates. These details will not be passed on to any third parties but will ensure that the benefits of UKSPA membership are made available to those with an interest. It will also ensure our compliance with best practice and allow more effective targeting of UKSPA Communications.

Communication with our members is at the heart of UKSPA activity. Please add your details and those of your colleagues who would like to opt-in to receive communications from UKSPA.

Contact will be made to those listed to request that they opt-in to UKSPA Communications to ensure GDPR compliance. All can opt-out of UKSPA communications at any stage.
